PARQUET CARPETS

Installation of "Tavolini" Parquet Carpet at the one of client's object

TM Tavolini Floors represents an exclusive Collection of hardwood parquet floors - "Tavolini Carpets".

The patterns of these unique artistic parquets replicate a real Eastern Carpets of 7 the most recognized Weaving schools in the world.

Some of these Carpets are the historical heritage of Eastern peoples, their originals kept in museums and elite private collections around the world.

Please note, that on the left side of pages are photos of original Carpets, and the corresponding Parquet Carpets placed on the right side. For each Parquet Carpet you can see the listing of wood species, from which it is made.

Parquet Carpets can be made under the individual sizes by the customer's wishes with maximum preservation of the original proportions and the design of the Carpet.
